Have classes,  
**will travel**

To make my students successful, I aim to:

- ✿ accomodate each knitter's knitting style, learning style, and skill level
- ✿ adapt the class material to meet the particular interests of each group
- ✿ provide comprehensive, illustrated handouts for use in class and at home
- ✿ leave plenty of time for hands-on practice

Email me at [jc@jcbriar.com](mailto:jc@jcbriar.com) to **schedule classes** for your shop or guild.
